

IEEE CPMT Switzerland Chapter

General Assembly Meeting 2015

at ABB Corporate Research Baden-Dättwil, 5th November 2015

Dear Members of the CPMT Switzerland Chapter and Associates

IEEE CPMT Chapter Board has a pleasure to invite you to the chapter's General Assembly meeting 2015. The meeting will be held at the location of **ABB Corporate Research Centre in Baden Dättwil**.

ABB belongs to the biggest players in power and automation and a role of its Corporate Research is to develop new technologies in these fields. Therefore, several of Corporate Research teams plays an active role in a research and development of the future generation of power semiconductor devices and power modules. In order to strength the competence in these areas, new research facilities were opened this year. They include a semiconductor cleanroom, a packaging cleanroom and laboratories for high power converter testing. The general assembly will be combined with the guided tour in these new laboratories.

Date:

Thursday, 5 November 2015, 15:15 - 18:30 hrs.

Location:

ABB Corporate Research
Segelhofstrasse 1K
5405 Baden-Dättwil

[How to reach ABB CRC](#) (or see attached file)

There is a good connection from Baden railway station by the bus Nr. 7.

Phone:

+41 79 317 84 45 (Slavo Kicin)
+41 79 833 12 28 (Daniel Thommen)

Program:

15:00 Gathering at Reception (batch hand out)
15:15 Welcome address (ABB representative and Daniel Thommen)
15:25 Presentation of ABB packaging R&D activities (Franziska Brem / Slavo Kicin)
16:00 Transient liquid phase bonding – assembly technology of the future? (Adrian Lis, EMPA)
16:20 General assembly (Daniel Thommen)
17:00 Coffee break
17:15 Visit of Pearl-lab (semiconductor cleanroom, packaging cleanroom and converter lab)
18:00 Apéro / Networking

Please register by E-mail (slavo.kicin@ch.abb.com)

and let us know until 3rd November 2015 whether you will attend the event.

Kind Regards

Daniel Thommen
IEEE Switzerland CPMT Chair
